Welcome

Atharva Enterprises is a Pune-based industrial supply company. We supply the materials, tools, machines and spare parts that keep production running, from chemicals and consumables to pneumatics, bearings, switchgear and lifting equipment. We also supply corporate gifts for companies and plants.

We buy from established dealers and stockists, and where a required product is not readily available in India, we import it for you. Send us your part list or Bill of Materials and we return a formal quotation with HSN codes, GST, lead time and freight. Orders confirmed before the daily cut-off are dispatched from Pune the same day, to industrial areas across India.

Why Atharva

What you get when you work with us

1 Wide sourcing

Bought from reputed dealers and stockists across India.

2 Imports on request

Not available locally? We import it for you.

3 One vendor

Chemicals, machines, tools, spares and gifts on a single PO.

4 Fast quotations

Formal quotation within 24 working hours.

5 Same-day dispatch

Orders confirmed before cut-off leave our Pune hub the same day, across India.

6 Credit terms

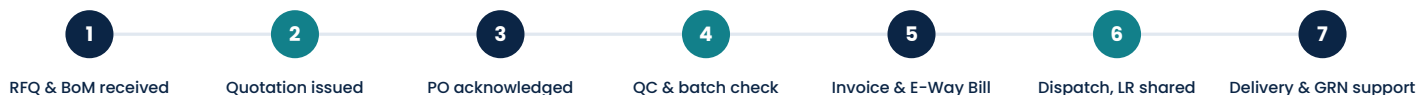

45-day credit for approved accounts.

Sourcing and imports

We do not limit you to what is on a shelf. Our buying team works with established dealers and stockists in India for ready stock, and arranges import for items that are hard to find locally, such as specific brands, special grades or low-volume spares.

- Share the part number, brand or specification and the quantity you need
- We confirm availability, import route and lead time in the quotation
- Imported items come with the same documentation: GST invoice and packing list

What We Supply

Pneumatics & Hydraulics

Valves, cylinders, FRL units, fittings, hydraulic seals, automation

Festo, Rexroth, SMC

Metrology

Verniers, micrometers, dial indicators, height and thread gauges

Mitutoyo, Baker, Kristeel-Shinwa

Safety PPE

Gloves, helmets, goggles, harnesses, safety footwear, cleanroom

3M, Udyogi, Karam

ESD & Cleanroom

ESD chairs, mats, wrist straps, shoe covers, resistivity meters

Dolphy, Sontara, Allen Cooper

Hand & Power Tools

Spanners, torque wrenches, socket sets, drills and power tools

Taparia, Stanley, Facom

Fasteners

SHCS Gr. 8.8 to 12.9, lock nuts, washers, CNC studs, custom parts

Unbrako, TVS, Diall

Abrasives

Cutting wheels, flap discs, sanding belts, brushes

CUMI, Norton, Bosch

Welding

ARC and MIG machines, electrodes, TIG tungsten, MIG wire

Harris, Centricut, Messer

Chemicals & Oils

Threadlockers, sealants, cutting fluids, hydraulic oils, paints

Loctite, Weicon, AkzoNobel

Bearings & Transmission

Ball, roller and needle bearings, pillow blocks, belts, chains

SKF, FAG, NBC

Switchgear & Sensors

MCBs, MCCBs, contactors, relays, terminal blocks, cables, sensors

Schneider Electric, Siemens, ABB

Material Handling

Slings, lashings, chain blocks, hoists, shackles

PML, Aasons, Aristo

Motors, PLC & HMI

Motors, servo drives, VFDs, PLCs and HMI panels

Siemens, Mitsubishi Electric, Delta

Instrumentation

Pressure, flow, level and temperature instruments, controllers

WIKA, ifm, Dwyer

Plumbing & Piping

Pipes, fittings, ball and gate valves, hoses, sanitary fittings

Jaquar, Essco, Jindal

Facility & Workplace

LED lighting, water heaters, coolers, vacuum cleaners, filters

Havells, A. O. Smith, Bosch

Lab, Marking & Packing

Lab glassware, reagents, marking supplies, label printers, packaging

Borosil, Merck, Lectroetch

Corporate Gifting

Hampers, Diwali boxes, uniforms, awards, watches and appliances

Automotive & Commercial Vehicles

From machining and assembly lines to paint shops and maintenance stores, these are the spares and consumables automotive plants and component makers ask for most.

[Quote for this industry >](#)

Assembly & Fastening

High-tensile bolts Gr. 8.8, 10.9 and 12.9, flange bolts, studs, nylock and flange nuts, spring and plain washers, rivets and rivet nuts, clips and retainers, circlips, dowel pins, torque wrenches, torque multipliers, pneumatic nut runners and impact sockets.

Pneumatics & Automation

Solenoid and flow control valves, standard and compact cylinders, FRL units, PU and nylon tubing, push-in fittings, quick couplings, vacuum cups and generators, grippers, proximity and photoelectric sensors, limit switches, pressure switches and air guns.

Machining & Cutting Tools

Carbide inserts and holders, end mills, drills, taps and dies, reamers, boring bars, tool holders, collets, chucks, vices, parting tools, tool presetting accessories, cutting oils and coolants, deburring tools and band saw blades.

Bearings & Power Transmission

Deep groove, tapered roller, needle and cylindrical bearings, wheel-end bearings, pillow blocks, timing, V and poly belts, roller chains and sprockets, couplings, bushes, oil seals, circlips and lock washers.

Hydraulics & Fluid Power

Hydraulic hoses and crimp fittings, gear and vane pumps, directional and relief valves, cylinders and seal kits, O-rings, filters and elements, pressure gauges, quick release couplings and hydraulic oils VG 32, 46 and 68.

Lubricants & Chemicals

Greases, gear oils, engine and machine oils, threadlockers, gasket makers, sealants, instant adhesives, rust preventives, rust penetrants, degreasers, brake and contact cleaners, primers, epoxy and PU paints, thinners.

Welding & Surface Finishing

MIG wire, electrodes, contact tips, nozzles and liners, welding torches and clamps, cutting and grinding wheels, flap discs, sanding belts and discs, non-woven pads, wire brushes, buffing wheels and polishing compounds.

Measuring & Quality

Verniers, micrometers, dial and bore gauges, height and depth gauges, feeler and radius gauges, thread plug and ring gauges, surface plates, hardness testers, torque testers, multimeters and IR thermometers.

Electrical & Control

MCBs, MCCBs, contactors, overload relays, control relays, push buttons, selector switches, LED indicators, terminal blocks, power supplies, timers, control cables, lugs, cable glands, hooters and beacons.

Safety & Material Handling

Gloves, safety shoes, goggles, ear plugs, helmets, hi-vis vests, ESD kits, webbing slings, ratchet lashings, chain pulley blocks, hoists, shackles, wire rope clamps, trolleys and pallet trucks.

Indicative range. Exact grades, sizes, brands and quantities are confirmed in your RFQ. Items not listed can be sourced or imported on request.

Aerospace & Defence

Production, tooling and maintenance supplies for aerospace and defence manufacturers, MRO shops and ground support teams, supplied against the specification you share.

[Quote for this industry >](#)

Fasteners & Hardware

Socket head cap screws, studs, nuts, washers, locking inserts, dowel pins, circlips, retaining rings, rivets, clips and standard and special fasteners made to your drawing or specification (AN, MS, DIN and other standards).

Cutting & Machining Tools

Carbide and HSS end mills for aluminium, titanium and steel, drills, reamers, taps, inserts and holders, collets, tool holders, deburring tools, countersinks, cutting fluids and band saw blades.

Sealants, Adhesives & Chemicals

Aerospace-grade sealants and adhesives to specification, epoxy and structural adhesives, threadlockers, retaining compounds, release agents, primers, solvents, IPA, degreasers, masking tapes and cure accessories.

Cleanroom & ESD

Cleanroom wipers and swabs, garments, gloves, finger cots, shoe covers, sticky mats, ESD mats, wrist straps, ESD chairs, tweezers, ionisers, resistivity meters, grounding cords and footwear testers.

Inspection & Metrology

Micrometers, bore and dial gauges, height and depth gauges, gauge blocks, pin gauges, thread gauges, surface roughness testers, hardness testers, inspection lamps and calibration certificates where required.

Surface Finishing & Coatings

Abrasive discs, belts and non-woven pads, sanding blocks, polishing compounds, primers, epoxy and PU paints, paint strippers, masking materials, spray guns and cleaning agents for pre-treatment.

Bearings, Seals & Gaskets

Precision, needle and angular contact bearings, O-rings, oil seals, PTFE gaskets, back-up rings, retaining rings, bushes and spacers in standard and special materials.

Ground Support & Fluid Power

Air hoses, quick couplings, regulators, filters, pressure gauges, hydraulic hoses and fittings, test hoses, valves, seal kits and spares for ground support and test equipment.

Tooling, Jigs & Workholding

Torque wrenches and screwdrivers, clamps, vices, vee blocks, angle plates, tool storage, shadow boards, workbenches, hand tools, pneumatic tools and lifting aids for assembly floors.

Safety & Shop-floor Consumables

Gloves, goggles, face shields, hearing protection, safety footwear, coveralls, first aid and spill kits, lint-free cloths, tapes, labels, bags and packaging for sensitive parts.

Flight-critical items are quoted only against the drawing, specification and documentation requirements shared in your RFQ. Indicative range; other items on request.

Power Generation

Spares and consumables for thermal, hydro, solar, wind and transmission and distribution sites, covering both planned shutdowns and day-to-day maintenance.

[Quote for this industry >](#)

Switchgear & Protection

ACBs, MCCBs, MCBs, contactors, overload relays, isolators, HRC fuses and bases, protection relays, current and potential transformers, timers, energy meters, panel meters and busbar accessories.

Cables & Terminations

Control and power cables, copper and aluminium lugs, ferrules, cable glands, HV cable terminals, heat-shrink sleeves, cable ties, trays and conduit accessories, terminal blocks, connectors and earthing materials.

Instrumentation & Sensors

Pressure gauges and transmitters, RTDs and thermocouples, level switches, flow meters, vibration sensors, proximity sensors, limit switches, temperature controllers and panel indicators.

Valves, Hydraulics & Sealing

Hydraulic hoses and fittings, filters and elements, seals and O-rings, gland packing, gaskets, valve spares, solenoid valves, lube and hydraulic oils, grease guns and lubrication fittings.

Bearings & Rotating Equipment

Spherical roller and deep groove bearings, plummer blocks, couplings, mechanical and shaft seals, belts, pulleys, sprockets, chains, bearing pullers, heaters and greases for motors, pumps and fans.

Fasteners & Heavy Hardware

High-tensile bolts, studs, nuts and washers, anchor bolts, U-bolts, turnbuckles, wire rope, clamps, shackles, gaskets, jointing materials and structural hardware for turbines, boilers and towers.

Coatings & Chemicals

Epoxy and PU paints, zinc-rich and anti-corrosion primers, insulating varnish, thread sealants, contact cleaners, rust penetrants, adhesives, cleaning solvents, degreasers and protective tapes.

Lifting, Rigging & Safety

Webbing and wire rope slings, chain blocks, hoists, shackles, harnesses, lanyards, fall arresters, insulating gloves and mats, helmets, face shields, safety shoes and barricading.

Maintenance Tools & Testing

Insulated tools, torque wrenches, multimeters, clamp meters, insulation resistance testers, IR thermometers, hydraulic crimping tools, cable cutters, gauges and portable lighting.

Welding & Fabrication

Electrodes for structural and low-hydrogen work, SS rods, TIG tungsten, MIG wire, hardfacing consumables, cutting and grinding wheels, flap discs and welding accessories.

Indicative range. Ratings, voltages, grades and brands are confirmed in your RFQ. Items not listed can be sourced or imported on request.

Home Appliances

Everything a refrigerator, washing machine, AC or small appliance line needs to keep running, from press shop and assembly to ESD, testing and packing.

[Quote for this industry >](#)

Assembly & Fastening

Self-tapping and machine screws, rivets, clips, grommets, spacers, cable clamps, pop rivets, automatic, electric and pneumatic screwdrivers, torque screwdrivers, bits and magnetic holders.

Sheet Metal & Press Shop

Punches and dies, die springs, stripper bolts, dowel pins, press tool spares, deburring tools, forming and press oils, cutting fluids, shear blades, magnets and sheet handling aids.

Pneumatics & Automation

Cylinders, solenoid valves, FRL units, vacuum generators and suction cups, tubing and fittings, proximity and photoelectric sensors, pressure switches, speed controllers and air guns.

Electrical & Control

Relays, contactors, MCBs, push buttons, indicator lamps, SMPS power supplies, timers, terminal blocks, connectors, wires and cables, cable glands, fuses and panel accessories.

ESD & Electronics Assembly

ESD mats, wrist straps, chairs, footwear, tweezers, ionisers, soldering stations and tips, solder wire and flux, finger cots, anti-static bags and bins, ESD tapes and resistivity meters.

Cleanroom & Packaging

Cleanroom garments, gloves, wipes and swabs, stretch film, BOPP tapes, strapping rolls, corner protectors, foam sheets, labels, barcode ribbons and carton sealing supplies.

Welding, Brazing & Finishing

Spot welding electrodes, brazing rods and flux, MIG wire, abrasives, buffing wheels, polishing compounds, flap discs, wire brushes, masking tapes and surface cleaning materials.

Paints, Adhesives & Chemicals

Paints and thinners, hot-melt and PU adhesives, sealants, degreasers, cleaning solvents, lubricants and greases, anti-rust oils, threadlockers and instant adhesives.

Bearings & Conveying

Miniature and deep groove bearings, bushes, conveyor rollers, belts, chains and sprockets, couplings, geared motors, fans and oil seals for assembly lines and test benches.

Testing & Quality

Verniers, micrometers, go/no-go gauges, torque testers, multimeters, insulation testers, resistivity meters, IR thermometers, gauges and inspection lamps.

Indicative range. Specifications and brands are confirmed in your RFQ. Items not listed can be sourced or imported on request.

Imports, Door to Door

Not available in India? We import it. Share the part number, brand or drawing and we return a quotation with the import route, duties and lead time. Imported items arrive customs-cleared with a unified Indian GST invoice.

From factory floor to your plant gate

1 Origin

Order placed with the OEM or its export house. The goods are export-packed in the original crate, and the supplier issues the commercial invoice and packing list.

2 Air freight

Export clearance at origin, then the Air Waybill (AWB) is issued and the consignment flies as air cargo from the brand's country to India.

3 Customs

Import customs clearance at the air cargo terminal. Bill of Entry filed with the correct HSN classification, duty and IGST paid, goods examined or scanned, then released.

4 Warehouse

Into our warehouse at Raviwar Peth, Pune. Received against the PO, binned and racked, and traceable by batch.

5 Quality check

Inward QC. Critical dimensions checked and the original MTC verified before anything is dispatched.

6 Delivery

Dispatch in our own vehicle to your plant gate, such as Chakan MIDC. GST invoice, E-Way Bill and GRN signed on delivery.

The import paperwork we handle for you

Purchase order & proforma invoice

Your PO is matched to the OEM's proforma invoice, with landed cost agreed up front.

Commercial invoice & packing list

Issued by the supplier. Our HSN classification is checked against them before shipping.

Air Waybill (AWB)

The air carrier's contract and tracking reference for the consignment.

Bill of Entry

Filed on arrival with HSN codes. Basic customs duty and IGST are calculated and paid.

Out-of-charge

Customs examines or scans the goods and releases them for delivery to our warehouse.

GRN & GST invoice

Goods received and QC'd in Pune, then invoiced with full GST input-tax-credit pass-through.
