How We Work With You

Atharva Enterprises is an industrial trader. We source genuine branded spares, consumables and imports from OEMs, distributors and overseas suppliers, and supply them to your plant with GST tax invoices. Your order moves through six steps.

- 1 Send your requirement**
 Email or WhatsApp the part name, brand, part number, specification and quantity. A BoM, drawing, photo or old PO is fine.
- 2 Quotation in 24 working hours**
 We reply with a formal quotation (AEQ number) showing price, GST, lead time and validity.
- 3 Confirm with your PO**
 Send your purchase order against the quotation. We acknowledge it and confirm the dispatch date.
- 4 Sourcing and quality check**
 Stock items are checked at our Pune warehouse. Imports are cleared through Indian Customs and inspected before dispatch.
- 5 Dispatch with documents**
 Same-day dispatch from Pune for confirmed orders before the daily cut-off, with GST tax invoice, E-Way Bill and LR tracking.
- 6 Delivery and after-sales**
 We follow up on receipt, handle shortages or damage claims and keep your part history for repeat orders.
